TC001: The delete endpoint does not display a confirmation message.

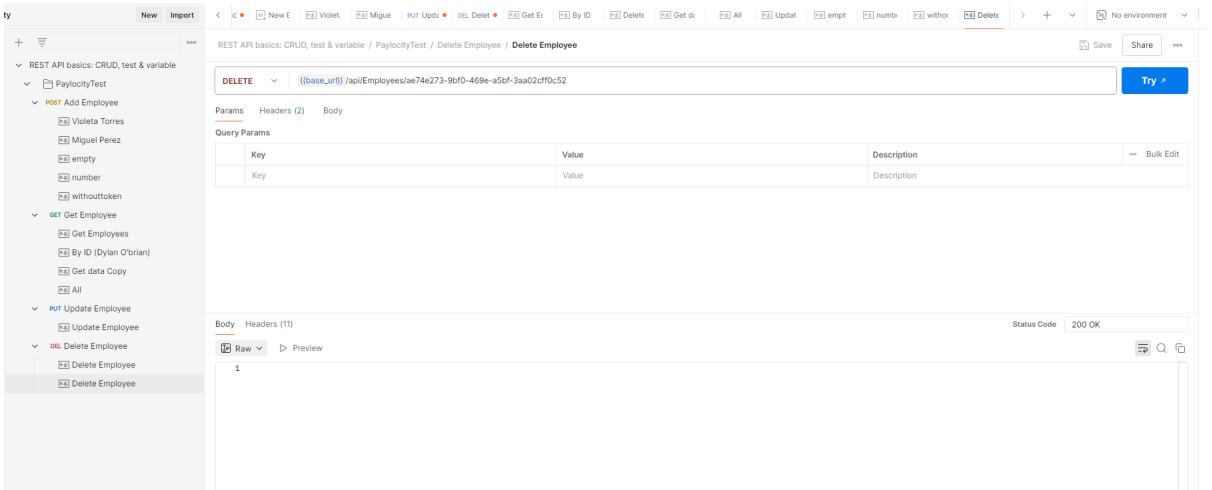
Steps to Reproduce:
1.Create an employee
2.Delete the employee via API
3.Retrieve employee list

Expected Result:
A message like the following should appear:

{"message": "Employee deleted successfully"}

Actual Result:
The code is 200k but there is no message indicating that the user was deleted.

Evidence:



TC002: Dependents are not added correctly

Steps to Reproduce:
1.Create an employee with dependents.

Expected Result:
The entered dependents should be displayed correctly.

Actual Result:
The dependents are incorrect; they are showing 0.

Evidence:
